AIMS AND SCOPE Phycological Research is published by The Japanese Society of Phycology and complements The Japanese Journal of Phycology. The journal publishes international research dealing with all aspects of phycology to facilitate the international exchange of results.

EDITORIAL CORRESPONDENCE Papers and other material for publication should be sent to the Editor-in-Chief: Dr Hiroshi Kawai, Kobe University Research Center for Inland Seas, Rokkodai, Kobe 657, Japan (fax: +81 78 803 0488; e-mail: kawai@grads.kobe-u.ac.jp). For details concerning the submission of papers to the Journal see the Notice to Contributors at the back of the Journal.

BUSINESS CORRESPONDENCE All matters relating to orders and subscriptions, back numbers and offprints should be sent to Blackwell Science Pty Ltd, 54 University Street, Carlton, Victoria 3053, Australia (telephone +61 3 9347 0300, faxsimile +61 3 9347 5001).

SUBSCRIPTION RATES The Journal is published quarterly and the subscription prices for 1996 are US$210.00/£18,000.00. The Journal is dispatched to subscribers by surface air-lifted post.

ADVERTISEMENT BOOKINGS Enquiries should be sent to the Advertisement Manager, Blackwell Science Pty Ltd, 54 University Street, Carlton, Victoria 3053, Australia (telephone +61 3 9347 0300, faxsimile +61 3 9347 5001). Although all accepted advertising material is expected to conform to ethical standards, such acceptance is not implied by the Journal.

THE JAPANESE SOCIETY OF PHYCOLOGY We invite anyone who is interested in any aspect of phycology to become a member of The Japanese Society of Phycology. As a member, you will receive Phycological Research free of charge. The annual membership fee for individuals is ¥7,000. Members who reside outside Japan will receive the English journal Phycological Research only and the annual membership fee is reduced to ¥6,000. Those who wish to join the Society should send the application form (at back of the Journal) together with payment to the Membership Secretary: Dr Taiju Kitayama, Division of Cryptograms, National Science Museum, Hyakunincho 3-23-1, Shinjuku, Tokyo 169, Japan (fax: +81 33 364 7104). Members who wish to claim for missing or damaged issues of the journal should contact the Membership Secretary.

ABSTRACTING AND INDEXING SERVICES This journal is indexed by BIOSIS, Cambridge Scientific Abstracts (Eco logical Sciences and Fisheries Abstract), Chemical Abstracts Service, Current Awareness in Biological Sciences, and University Microfilms.

COPYRIGHT AND PHOTOCOPYING © 1996 Blackwell Science Pty Ltd. Authorization to photocopy items for internal or personal use, or the internal or personal use of specific clients, is granted by Blackwell Science Pty Ltd for libraries and other users registered with the Copyright Clearance Center (CCC) Transactional Reporting Service, provided that the base fee of $11.50 per copy is paid directly to CCC, 222 Rosewood Drive, Danvers, MA 01923, USA. This consent does not extend to other kinds of copying, such as copying for general distribution for advertising or promotional purposes, for creating new collective works or for resale. Special requests should be addressed to the Publisher. 1322-0829/96 $11.50

Publication of Phycological Research has been supported in part by a Grant-in-Aid for Publication of Scientific Result from the Ministry of Education, Science, and Culture, Japan.

Cover Immunofluorescence micrographs of Boergesenia forbesii (Top left). Top right: Nuclei (orange) and perinuclear microtubules (green). Bottom left: Nuclei (blue). Bottom right: Nuclei which incorporated BrdU (using anti-BrdU antibody, red). Same field as for bottom left. (See pp. 11–17 for details).

This journal is printed on acid-free paper.
The Japanese Society of Phycology

Officers for 1996–1997

President: Tadao Yoshida, Division of Biological Sciences, Graduate School of Science, Hokkaido University, Sapporo 060, Japan
Secretary: Takeo Horiguchi, Division of Biological Sciences, Graduate School of Science, Hokkaido University, Sapporo 060, Japan
Membership Secretary: Taiji Kitayama, Department of Botany, National Science Museum, Tokyo, 4-1-1 Amakubo, Tsukuba, Ibaraki, 305 Japan

Treasurer: Kazuhiro Kogame, Division of Biological Sciences, Graduate School of Science, Hokkaido University, Sapporo 060, Japan
Editor, Phycological Research: Hiroshi Kawai, Kobe University Research Center for Inland Seas, Rokkodai, Kobe 657, Japan
Editor, The Japanese Journal of Phycology 'Scroli': Isao Inouye, Institute of Biological Sciences, University of Tsukuba, Tsukuba 305, Japan

Yuji Fujita Nagasaki University
Yoshiaki Hara University of Tsukuba
Hiroshi Kawai Kobe University
Shigeru Kumano
Michio Masuda Hokkaido University
Taketo Nakano Hiroshima University
Hisayoshi Nozaki National Institute for Environmental Studies
Megumi Okazaki Tokyo Gakugei University
Kazuo Okuda Kochi University
Takeo Okuda
Yoshiaki Sambonsuga Tohoku National Fisheries Research Institute
Jiro Tanaka Tokyo University of Fisheries
Makoto M. Watanabe National Institute for Environmental Studies
Shin Watanabe Toyama University
Hirotoshi Yamamoto Hokkaido University
Yasutsugu Yokohama University of Tsukuba

JOIN THE JAPANESE SOCIETY OF PHYCOLOGY AND RECEIVE FOUR ISSUES OF PHYCOLOGICAL RESEARCH PER YEAR FREE OF CHARGE

The Japanese Society of Phycology, founded in 1952, currently has 760 members (including 105 overseas members). The Society is open to anyone who is interested in pure or applied aspects of phycology.

Application for membership

(Please type or write in block letters)

Name in full: ____________________________________________  (Family name)

________________________________________________________ (Given name and initials)

Mailing address: ____________________________________________

______________________________________________________________________________

Telephone: ____________________________________________  Fax: ____________________________________________

E-mail: ____________________________________________  Interests: ____________________________________________

Signature: ____________________________________________  Date: ____________________________________________

The annual fee for individual members is ¥7,000
(¥6,000 for members who reside outside Japan)

Payment by: □ Visa       □ MasterCard       □ American Express

Card number: ____________________________  Expiry date: ____________________________

Signature: ____________________________

□ International giro postal transfer (Postal account No.: 00180-5-68429)
□ International postal money order

Send application form to: Dr Taiji Kitayama
Department of Botany, National Science Museum,
Tokyo, 4-1-1 Amakubo, Tsukuba, Ibaraki, 305 Japan
Fax: +81 298 53 8401
Phycological Research

Formerly The Japanese Journal of Phycology

Volume 44 • Issue 1 • March 1996

Robert G. Sheath, Kirsten M. Müller, Alan Whittick and Timothy J. Entwisle
A re-examination of the morphology and reproduction of Notocladus lindaueri (Batrachospermales, Rhodophyta) 1

Taizo Motomura
Cell cycle analysis in a multinucleate green alga, Boergesenia forbesii (Siphonocladales, Chlorophyta) 11

W. A. Nelson and G. A. Knight
Life history in culture of the obligate epiphyte Porphyra sublumens (Bangiales, Rhodophyta) endemic to New Zealand 19

Kazuyuki Miyaji
Taxonomic study of the genus Spongomorpha (Acrosiphoniales, Chlorophyta) in Japan. I. Spongomorpha spiralis 27

Ken-ichiro Ishida, Takeshi Nakayama and Yoshiaki Hara
Taxonomic studies on the Chlorarachniophyta. II. Generic delimitation of the chlorarachniophytes and description of Gymnochlora stellata gen. et sp. nov. and Lotharella gen. nov. 37

Takeshi Nakayama, Shin Watanabe, Kaoru Mitsui, Hidenobu Uchida and Isao Inouye
The phylogenetic relationship between the Chlamydomonadales and Chlorococcales inferred from 18S rDNA sequence data 47

Catherine A. Russell, Michael D. Guiry, A. Rosa McDonald and David J. Garbary
Actin-mediated chloroplast movement in Griffithsia pacifica (Ceramiales, Rhodophyta) 57

Hiroshi Tamura, Ichiro Mine and Kazuo Okuda
Cellulose-synthesizing terminal complexes and microfibril structure in the brown alga Sphaecelaria rigidula (Sphaelariales, Phaeophyceae) 63
