AIMS AND SCOPE *Phycological Research* is published by the Japanese Society of Phycology and complements the *Japanese Journal of Phycology*. The journal publishes international, peer-reviewed research dealing with all aspects of phycology to facilitate the international exchange of results. All articles are peer-reviewed by at least two researchers expert in the field of the submitted paper. *Phycological Research* has been credited by the International Association for Plant Taxonomy for the purpose of registration of new non-vascular plant names (including fossils). For further information see <http://bgbm3.bgbm.fu-berlin.de/iapt/registration/journals/htm>. Publication of *Phycological Research* has been supported by a Grant-in-Aid for Publication of Scientific Research Results from the Japan Society for the Promotion of Science.

ABSTRACTING AND INDEXING SERVICES The journal is indexed by BIOSIS Database, Cambridge Scientific Abstracts, Chemical Abstracts Service, Ecological Abstracts, EMBASE/Excerpta Medica, GEOBASE, UnCover, University Microfilms and Zoological Record.

EDITORIAL CORRESPONDENCE All material for publication should be sent to the Editor-in-Chief, Taizo Motomura, Muroran Marine Stations, Field Science Centre for Northern Biosphere, Hokkaido University, Muroran 051-0003, Japan (fax: (+81) 143 22 4135; email: motomura@bio.sci.hokudai.ac.jp). For details instructions concerning the submission of manuscripts, please refer to the Instructions to Authors at the back of a recent issue of the journal or visit the journal web page.

THE JAPANESE SOCIETY OF PHYCOLOGY We invite anyone who is interested in any aspect of phycology to become a member of the Society. As a member you will receive *Phycological Research* and the *Japanese Journal of Phycology* free of charge. The annual membership fee for individuals ¥8000. (Members who reside outside Japan will receive only the English language journal *Phycological Research* and the annual membership fee is ¥7000 (standard), ¥5000 (student).)

Those who wish to join the Society should send the application form (at the back of each issue of the journal), together with payment, to the Membership Secretary: Dr Koji Iwamoto, at the address given on the form. Members who wish to claim for missing or damaged issues should contact the Membership Secretary.
