Phylogenetic analysis of ITS2 sequences suggests the taxonomic re-structuring of Dunaliella viridis (Chlorophyceae, Dunaliellales).  

Yangleo Zhena  
Combined effects of light and nitrate supplies on the growth, photosynthesis and ultraviolet-absorbing compounds in marine macroalga Gracilaria lemaneiformis (Rhodophyta), with special reference to the effects of solar ultraviolet radiation.  

Yola Metti, Alan J.K. Miller, Valeria Cassano and Muhee T. Fuji  
Research note: Australian Laurencia majuscula (Rhodophyta, Rhodomelaceae) and the Brazilian Laurencia dendroides are conspecific.  

Yasuo Suto and Shuji Ohtani  
Seasonal development of five Cephaloneuros species (Trentepohliaceae, Chlorophyta) on the leaves of woody plants and the behaviors of their gametes and zoospores.  

Yoloxochitl Elizabeth Rodríguez-Montesinos, Dora Luz Arvizu-Higuera, Gustavo Hernández-Carmona, Mauricio Muñoz-Ochoa and Jesús Iván Murillo-Álvarez  
Seasonal variation of the agar quality and chemical composition of Gracilaria veleroae and Gracilaria vermiculophylla (Rhodophyceae, Gracilariaeae) from Baja California Sur, Mexico.  

Ryo Hoshina and Yuko Fujiwara  
Molecular characterization of Chlorella cultures of the National Institute for Environmental Studies culture collection with description of Micractinium inermum sp. nov., Didymogenes sphaerica sp. nov., and Didymogenes soliella sp. nov. (Chlorellaceae, Trebouxiaephycaceae).  

Christian Boedeker, Ulf Karsten, Frederik Leliaert and Giuseppe C. Zuccarello  
Molecular, biochemical and morphological data suggest an affiliation of Spongiocystis hawaiensis with the Trentepohliaceae (Ulrophycaceae, Chlorophyta).  

Pedro Murúa, Renato Westermeier, David J. Patiño and Dieter G. Müller  
Culture studies on early development of Lessonia trabeculata (Phaeophyceae, Laminariales): Seasonality and acclimation to light and temperature.  

Ti Feng Shan, Shao Jun Pang and Su Qin Gao  
Novel means for variety breeding and sporeling production in the brown seaweed Undaria pinnatifida (Phaeophyceae): Crossing female gametophytes from parthenosporophytes with male gametophyte clones.
Phycological Research

This journal is available online at Wiley Online Library. Visit wileyonlinelibrary.com to search the articles and register for table of contents email alerts.
Access to this journal is available free of charge within institutions in the developing world through the AGORA initiative with the FAO, and the OARE initiative with UEP. For information, visit http://www.aginternetwork.org, www.oarescience.org.

AIMS AND SCOPE Phycological Research is published by the Japanese Society of Phycology and complements the Japanese Journal of Phycology. The Journal publishes international, peer-reviewed research dealing with all aspects of phycology to facilitate the international exchange of results. All articles are peer-reviewed by at least two researchers expert in the field of the submitted paper. Phycological Research has been credited by the International Association for Plant Taxonomy for the purpose of registration of new non-vascular plant names (including fossils). For further information see http://bjgm3.bgm.is/berlin.de/japt/registration/journals.htm.

ABSTRACTING AND INDEXING SERVICES This journal is indexed by Aquatic Sciences & Fisheries Abstracts, BIOSBASE, Biological Abstracts, BIOSIS Previews, Biotechnology & Bioengineering Abstracts, Cambridge Scientific Abstracts, Chemical Abstracts Service, Current Awareness in Biological Sciences, Current Contents, Ecological Abstracts, EMBASE/Excerpta Medica, Environmental Sciences and Pollution Management, GEOBASE, Irrigation and Drainage Abstracts, Microbiology Abstracts, Oceanic Abstracts, Pollution Abstracts, ProQuest (previously University Microfilms), Referativnyi Zhurnal, Science Citation Index (ISI), Soils and Fertilizers, Weed Abstracts, Zoological Record, National Inquiry Services Centre (NISC).

THE JAPANESE SOCIETY OF PHYCology We invite anyone who is interested in any aspect of phycology to become a member of the Society. As a member you will receive Phycological Research and the Japanese Journal of Phycology free of charge. The annual membership fee for individuals ¥8000. Members who reside outside Japan will receive only the English language journal Phycological Research and the annual membership fee is ¥7000 (standard), ¥5000 (student)

Those who wish to join the Society should send the application form (at the back of each issue of the Journal), together with payment, to the Membership Secretary, Dr Chikako Nagasato, at the address given on the cover. Members who wish to claim for missing or damaged issues should contact the Membership Secretary.

ADDRESS FOR EDITORIAL CORRESPONDENCE Ichiro Mine, Graduate School of Kuroshio Science, Kochi University, 2-5-1 Akebono-cho, Kochi, Kochi 780-8520, Japan (E-mail: mine@kochi-u.ac.jp).

DISCLAIMER The Publisher, Society and Editors cannot be held responsible for errors or any consequences arising from the use of information contained in this journal; the views and opinions expressed do not necessarily reflect those of the Publisher, Society and Editors, neither does the publication of advertisements constitute any endorsement by the Publisher, Society and Editors of the products advertised.

Cover Cephaloneus japonicus collected in Matsue, Shimane, Japan. Young thalli with pink to purple stain of leaf tissue in Euroia japonica (left), Gametangia (upper right) and zoosporangia (lower right) formed on the mature thalli. See Suto and Ohtani in this issue for details.

Note to NIH Grantees Pursuant to NIH mandate, Wiley-Blackwell will post the accepted version of contributions authored by NIH grant-holders to PubMed Central upon acceptance. This accepted version will be made publicly available 12 months after publication. For further information, see www.wiley.com/go/nihmandate.

The Japanese Society of Phycology

Officers for 2013–2014

President: Jiro Tanaka  
Tokyo University of Marine Science and Technology, Japan

Secretary: Hidekazu Suzuki  
Tokyo University of Marine Science and Technology, Japan

Treasurer: Takanori Matsuoka  
Nippon Dental University, Tokyo, Japan

Membership Secretary: Satoko Sekida  
Kochi University, Japan

Public Relations Secretary: Kensuke Toyoda  
Keio University, Japan

Secretary for International Affairs: Shin-ichiro Abe  
National Research Institute, Fisheries Research Agency, Japan

Members of Executive Council 2013–2014

Put O. Ang Jr.  
The Chinese University of Hong Kong, China

Taira Enomoto  
Kobe University, Japan

Daisuke Fujita  
Tokyo University of Marine Science and Technology, Japan

Masahiko Idei  
Bunkyo University, Japan

Masanobu Kawachi  
National Institute for Environmental Studies, Japan

Kazuhiko Kogame  
Hokkaido University, Japan

Kazuyoshi Kuwano  
Nagasaki University, Japan

Ichiro Mine  
Kochi University, Japan

Daisuke Muraoka  
Tohoku National Fisheries Research Institute, Japan

Tamotsu Nagumo  
The Nippon Dental University, Japan

Takeshi Nakayama  
University of Tsukuba, Japan

Wendy A. Nelson  
The National Institute of Water and Atmospheric Research, New Zealand

Tadahide Noro  
Kagoshima University, Japan

Claude E. Payri  
Institut de Recherche pour le Developpement, France

Hidetoshi Sakayama  
Kobe University, Japan

Yukihiko Serisawa  
University of Yamanashi, Japan

Yoshihiro Shiraiwa  
University of Tsukuba, Japan

Shinya Uwai  
Niigata University, Japan

Goro Yoshida  
National Research Institute of Fisheries and Environment of Inland Sea, Japan

JOIN THE JAPANESE SOCIETY OF PHYCOLOGY AND RECEIVE FOUR ISSUES OF PHYCOLOGICAL RESEARCH PER YEAR FREE OF CHARGE

The Japanese Society of Phycology, founded in 1952, currently has 685 members (including 68 overseas members). The Society is open to anyone who is interested in pure or applied aspects of phycology.

Application for membership

(Please type or write in block letters) Membership starts from 2013

Name in full: ____________________________________, ___________________________________________________

(Family name)  (Given name and initials)

Mailing address: __________________________________________________________________________

_______________________________________________________________________________________

(Postal code)                    (Country)

Telephone:  Fax:  

E-mail:  Interests:  

Signature:  Date:  

The annual fee for individual members is ¥8000

(¥7000 for members who reside outside Japan, ¥5000 for students who submit a verifying statement signed by their Chairperson or Head of Department)

Payment by: □ Visa □ MasterCard □ American Express

Card number: _____-_____-_____ Expiry date: ______________

Signature: ____________________________________________________________________________

□ International postal money order

Send application form to: Shinya YOSHIAKAWA
