国際シンポジウム「ハプト藻の生物学」のお知らせ

The BIOLOGY of the PRYMNESIOPHYTA

Plymouth, UK,

29th March-1st April, 1993

The aim of this international symposium is to bring together phycologists, marine and freshwater ecologists, biochemists, and all others who have an interest in this important group of organisms. Contributions on any aspect of prymnesiophyte biology, ecology, physiology or biochemistry will be welcome. Sessions will include invited and volunteered contributions, and there will be poster sessions and opportunities for informal workshops.
